

La 12^{ème} Africa Business Conference et le 3^{ème} Congrès International sur l'Entrepreneuriat, la Créativité et L'Innovation Managériale

Dakhla, Maroc
7-9 Novembre 2023

POST-CONFERENCE EXCURSION

The post-conference excursion will take the form of a 4X4 safari between desert and sea, with a circuit comprising at least five stops: PK25 with a view of Dragon Island, the Asma thermal spring, the Dune Blanche and finally Porto Rico. The program also includes a Sahraoui lunch in a Hassanie setting in the middle of the desert.

THE DRAGON ISLAND

It's the emblem of the region. A wild island in the shape of a mythological dragon sleeping in the middle of Dakhla Bay (View of the island PK25).

THE ASMAA SPRING

The Asmaa spring is a natural sulfur hot spring. The spring spontaneously supplies water at a temperature of around 39°C, reputed to be excellent for the skin, respiratory disorders and bones..

THE WHITE DUNE

The White Dune, or "Duna Blanca", is the best-known attraction on the Dakhla peninsula. It's a very large dune of white sand that plunges into the lagoon, forming a small lagoon at its center.

PORTO RICO

Around sixty kilometers south of Dakhla, "Porto Rico" is a beautiful beach of golden sand and crystal-clear water. Located on the Tropic of Cancer.

SAHRAOUI LUNCH AND TEA

Lunch and Sahraoui tea in a Hassanie setting in the middle of the desert.
